STIMPED TO THE WAIST, Wore no headdress, their hair was long and matted, they perpetually rolled their ion they had gone all the way to Mecoa and back—an cighty days' ionray—gloand back-an eighty days' journey-glorifying Allah and his Prophet. Some dervishes followed, in tall, brown felt hats and green robes, the color indicating their claim to direct descent from the Prophet. for a long time as a man who attended to ing any residium. "Ho, every one that thirsteth, come yo to They were succeeded by the rank and file of the caravan on camels, all jammed together in a brown, shaggy mass, like cattle on a Hamburg boat. Bands of music, cannon, cavalry and troops of Bedouins

About 4,000 pilgrims, on an average, leave on this annual pilgramage. The road lies through a wild country, and on the route the Bedonin tribes have to be subsidized to avoid brigandage. Each sheik has his blackmail in money or goods fixed by immemorial custom; hugo case of goods and silver dollars form part of the caravan, and the tax is dropped on route with the regularity of a Loudon parcels delivery cart. The pilgrims bring back commercial idea is crowding out the reli-

ONE OR TWO HUNDERO STAVES Almost always form part of the morehan dise brought away from the Holy City It is one of the chief emperiums of the East African slave trade, and the market for the maintainance of the Arabian and Persian harems. But this year there was small-pox in Mecca, and the pilgrims did not dare to bring away the usual supply. The trade, has, of course, been long for bidden by the Turkish Government, but it continues to be carried on with very slight attempt at secreey, at any rate in Damascus. I had not time this year to make the round of the slave markets there, but two years ago I visited two different lots in the city, and slaves were offered at prices varying from £20 to £200. A conversation I had not long ago with a native of Cairo illustrates fairly the real position of the slave trade in the Ottoman Empire. "Could I buy a slave now?" I asked. "Oh, no, certainly not," was the reply "It is torbidden to have slaves at all." "But," I persisted, " if I really wanted one could I not get one t" "Oh, yes," sald my friend, "of course you can get them, but it is quite against the law."
